

FALL/WINTER SEMINAR LIST

SEPTEMBER 9TH - Transparent Audio | Bob McConnell

On Saturday September 9th, Quintessence Audio will be hosting Transparent's Bob McConnell for a deep dive into Transparent's design philosophies and technologies. There will be listening demonstrations of multiple performance levels of Transparent cabling, allowing you to hear firsthand the differences between each level and what Transparent products bring to a listening system.

Listening sessions are 1PM and 3PM by RSVP only. Please call us at 847-966-4434 to RSVP!

SEPTEMBER 22ND + 23RD - Moon's New North Collection

Quintessence has been chosen to host the American debut of the new North Collection by MOON. Be the first to hear the new North equipment on Saturday September 23rd and meet Costa Koulisakis. Costa will be talking about the innovations in the new line and demonstrating the 791 streaming preamp and 761 power amplifier.

Join us on Friday September 22nd for a tech talk followed by demonstrations of the new gear by Costa. Talk time will be at 2PM. Seats will be limited so sign up early.

On Saturday September 23rd we will have an open house with Costa. Feel free to stop in and see and hear the new equipment. We will also have an informal discussion of the new products.

OCTOBER 7TH - Clearaudio | Robert Suchy

Quintessence Audio welcomes Robert Suchy of Clearaudio, Garth Leerer and Ken Bowers of Musical Surroundings on Saturday, October 7th. Robert will be showing off our newest table, the Statement. He will also be talking about Clearaudio's history and philosophy and their product line.

A drawing will be held for a Hana EL phono cartridge. Refreshments will be served. Listening times are Noon and 3PM. Call us at 847-966-4434 to register!

OCTOBER 21ST - Wilson Audio | Bill Peugh

Bill Peugh from Wilson Audio will be here to demonstrate Wilson's newest loudspeaker the Sasha V. Bill will be discussing the technological improvements that were made in this amazing loudspeaker.

We will be raffling off a copy of the Wilson Way - The Official History of Wilson audio.

Listening times are 1PM and 3PM. Call us at 847-966-4434 to register!

NOVEMBER 2ND - dCS | David Steven

David and the dCS team will be at Quintessence to discuss dCS's history and visions for the future. We have all dCS products on display. Experience everything from the state-of-the-art Vivaldi APEX to the new Lina, dCS's remarkable Ring DAC-based streamer and Master Clock, positioned just below the Bartòk.

Please join us for a day of listening and conversation. We look forward to seeing you. Listening times are 4PM and 7PM. Call us at 847-966-4434 to register!
